Alternate options in lieu of Industrial Summer Internship

Following are the alternate options in lieu of the mandatory industrial summer internship (4 weeks – 28 days). This scheme is applicable only to the pre-final year students who do not have the option to get direct exposure to the industrial environment due to the ongoing pandemic situation.

Schools are required to provide additional guidance to the student for choosing appropriate activity. Schools are required to share the details of the evaluation rubrics with the students. Activities of students during the internship should be monitored by the faculty members nominated by the School. For all the activities mentioned, detailed report should be prepared by the students and appropriate certificate should be issued to the student by the School. Both these documents should be uploaded by the students in VTOP for evaluation and record purposes.

- [1] Prepare case studies / comparative reports on selected industries related to the branch.
- [2] Solve challenging industrial problems – both online and offline.
- [3] Complete approved online course that should be of at least four-week duration (approval to be given the School Dean).
- [4] Complete one value added course offered by the School in Winter Semester 2021-22 or Fall Semester 2022-23.
- [5] Prepare review / research papers under the guidance of the faculty.
- [6] Formulate entrepreneurial project plan / B-plan or provide innovative solution to corporate / social problems.
- [7] Take up online internships / Certifications offered by the industry (Minimum of four-week duration). Career Development Centre (CDC) – VIT will facilitate this. The list of vendors offering such Online Internships / Certifications are given below and the students may contact CDC for further details and registration

Sl.No	Name of the Vendor	Target School
1	Oracle	SCOPE, SITE and other interested core engineering
2	NASSCOM Future Skills	
3	EC Council	
4	Mile2- Rex	
5	Microsoft	
6	Salesforce	
7	AWS	
8	IBM Watson	
9	FACE	
10	Ethnus	
11	Smart Bridge	
12	SkillsDA	
13	PharmaGenie	SBST
14	Autodesk	SMEC, SCE
15	Maven	SENSE, SELECT
